

# The Queen Bee of Manuka Honey has arrived in the UK from Australia... yes, Australia!

Unlike New Zealand Manuka honey, our Australian Manuka Jelly Bush variety has no medicinal taste, is sweet and fragrant yet still possesses the same powerful antibacterial health benefits.

Buy today from [gustarehoney.com](http://gustarehoney.com)

A few of the known health benefits of Manuka Honey include:  
STIMULATES HEALING, REDUCES INFLAMMATION AND MINIMISES SCARRING
